Recent Accomplishments		Date
1	For the first time, provided a FY 2019 MILPAY Account Post-Payment Review Status to the DoD Improper Payments Senior Accountable Officials Steering Committee.	Mar-19

FY18 Amt(\$)	Root Cause	Root Cause Description	Mitigation Strategy	Anticipated Impact of Mitigation
\$289M	Administrative or Process Errors Made by: State or Local Agency	Errors caused by incorrect data entry, classifying, or processing of applications or payments.	In FY 2019, DoD is implementing a new review process for the Military Pay program. The new process will introduce verification of members' pay and allowances with supporting documentation. This change will improve root cause analysis and mitigation.	Based on the new review process for the Military Pay program, DoD will improve its ability to determine root causes of improper payments resulting in monetary loss and develop more targeted and effective corrective actions to reduce and prevent them.

Cash Loss - Cash loss to the Government includes amounts that should not have been paid and in theory should/could be recovered.
